A Christmas donation has been made to support the work of the ALMA Sisters for children with physical and learning disabilities in East Timor – one of the poorest countries in the world..

As your Christmas Gift, we have given a donation to the **Peter Trust, "Support a Child at Christmas Appeal"**. We thought you'd appreciate this gesture to help people who are much less fortunate than us.

The Appeal will support the work of the ALMA Sisters for children with physical and learning disabilities.

The Peter Trust helps significantly in the funding of this work which includes: physiotherapy and medication for the disabled children; support to their parents with regard to appropriate care at home and outside; social/training provision for the families including weekly lunches; home visits; and spiritual encouragement which emphasises that each child is precious: God's gift to evoke the love of their family and community.
